

Find the reflection of each point

Label with a ' '

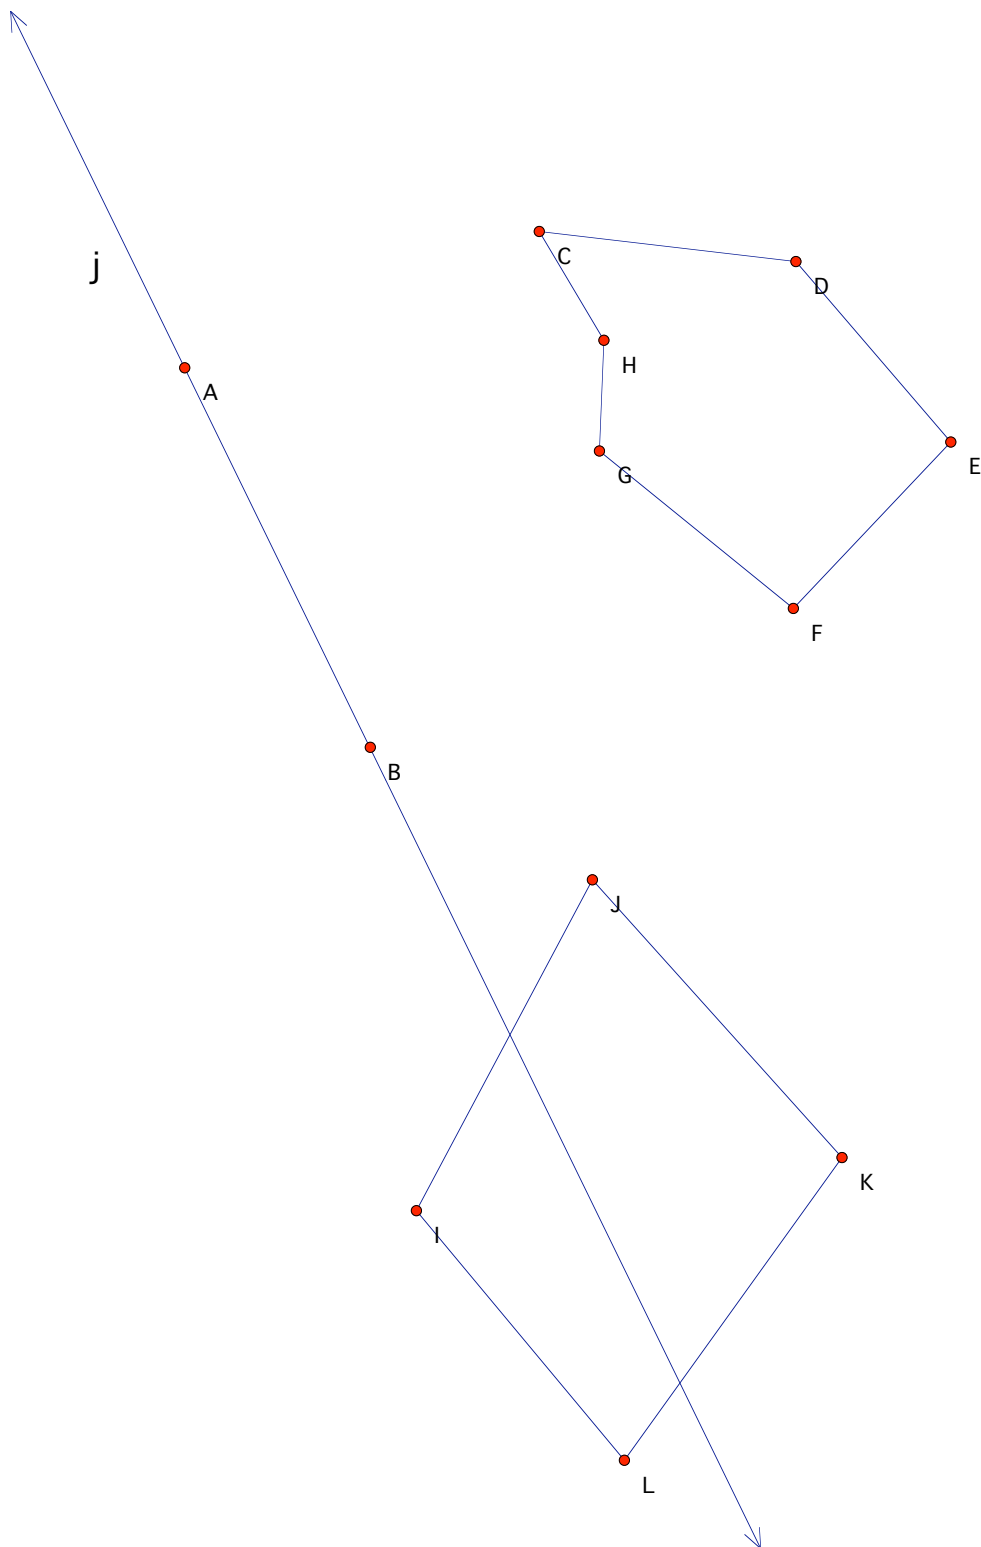

Reflect each point  
about line  $j$ .

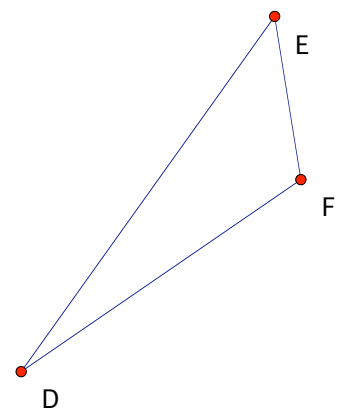

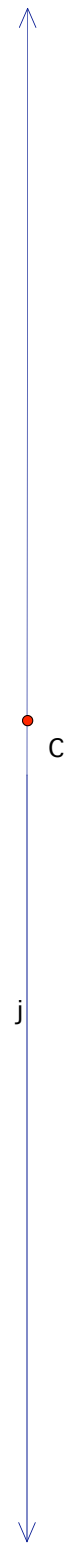

Reflect  $FGH$  about line  $j$   
and then line  $k$ . What  
single motion will go  
from  $FGH$  to  $F''G''H''$ ?

Reflect each polygon  
about line j.

Reflect  $FGH$  about line  $j$   
and then line  $k$ . What  
single motion will go from  
 $FGH$  to  $F''G''H''$ ?

Find the lines of symmetry
